

Table 1. MFO, Programs, Projects and Activities of PAGRO

Major Final Output (MFO)	Programs / Projects	Activities
Production Support Services	High Value Crops Development Program	
	· Gulayan sa Paaralan	Establish vegetable production demonstrations in schools
	· Nursery and Scion Grove Project	Production of quality seeds and seedlings
	· Dispersal Project	Distribute quality seedlings to farmer recipients
	· Crop diversification	Encourage in the cropping
	· Production of Cacao, Coffee, Rubber, Banana, Vegetables and other high value crops	
	Rice Support Program	
	· Bulig to bugas (banana to rice crop shifting)	Convert the Fusarium wilt affected banana farms into rice farms
	· Integrate crop management practices	Implement Rice Crop Manager (RCM)
		Integrate other crops under the Rice-based farming system (Rice + mungbean, Rice + Melon)
		Produce and distribute rice seeds
		Distribute Bio-fertilizers and bio-control agents
	· Buffer Seed Stocking	
	· Establishment and develop additional production area for new commodity	Introduce Adlai commodity as another source of carbohydrates
	Corn and Cassava Production Support Program	

	Establish and maintain Crop Production Area	Native corn seed variety Production
		Cassava Seed pieces production
		Sorghum Production
	Maximize/optimize production in compact corn areas	Provision of production inputs for Flint Corn
		Provision of quality cassava seed pieces
		Provision of Open Pollinated Variety White Corn and Hybrid yellow corn seeds
	Fishery Development Program	
	· Mangrove Seedling Production and Dispersal	Mangrove planting
	· Fingerling Production and dispersal	Produce and disperse quality fingerlings
	· Seeding of communal waters	Stocking of fingerlings in Communal Waters
Extension Support, Education and Training Services	Conduct production trainings and seminars	Package of Technology (POT) for HVCC, rice and Corn
		Farmers Field School (FFS) for Rice, Corn and vegetables
		Conduct aquaculture seminars
		Agriculture production trainings
	Conduct livelihood trainings	Conduct of Food and fish processing trainings
	Provincial Agricultural Extension Services Program	Maintain Barangay Agricultural Extension workers (BAEW)
Irrigation Network Services		Facilitate delivery and installation of small irrigation system and spring development

Agricultural Machineries, Equipment and Facilities	Operation and Maintenance of Agricultural Machineries, Equipment, and Infrastructures	Facilitate construction and distribution of farm mechanization and Post-Harvest Facilities
		Conduct mechanized land preparation of agricultural production Areas
Farm to Market Road Network Services		Validate and geotag road sections
Market Development Services		Conduct of Market Matching
		Conduct Tienda sa Kapitolyo
		Facilitate the establishment of Participatory Guarantee System (PGS)
Research and Development / Agricultural Support Services	Establishment of technology demonstrations	Conduct techno demo on Rice, Corn, High Value crops and Organic Agriculture production
	Production of Biological fertilizers and biological control agents	Distribute bio-fertilizers such as Bio-N, vermicast, concoctions and Bio-control agents
Credit Facilitation Services	Contribution to Davao De Oro Credit Surety Fund Cooperative (Formerly Compostela Valley Koopnegosyo	Facilitate the release of fund to bank to increase the investment to the surety fund.
	Surety Fund)	
		Facilitate loan promotion, evaluation, and processing of applications of member cooperatives

	Micro Credit Assistance Program (MCAPC)	Facilitate loan promotion, evaluation, and processing of applications of qualified micro and small cooperatives and farmers/peoples' Organizations in the province
	Agricultural Credit Program (Rice-based cooperatives)	Facilitate and provide technical assistance to rice-based cooperatives in accessing the credit
		Assist in the evaluation and monitoring of the Agri Credit Program/Projects of the Department of Agriculture
		Monitor implementation of projects of rice-based cooperatives
Cooperative Development Services	Cooperative Development Program	Conduct trainings/seminars to Coop beneficiaries of MCAPC, project partners of Kadiwa on wheels and Davao de Oro Credit Fund cooperative DdOCF coop investors
		Assists Cooperative Registration and Accreditation
		Assist in the institutionalization of various cooperative stakeholders
Agriculture and fishery Insurance Coverage Services		Facilitate the registration to RSBSA of farmers in the province
